

## Admissions to Slough Grammar School – September 2011

### Advice to parents of Year 5/6 pupils

- Slough Grammar School will run tests in line with the Consortium. The Slough Grammar School test will be in November set by GL Assessment (formerly known as National Foundation for Educational Research). It will consist of Non-Verbal Reasoning and Verbal Reasoning papers.
- To register to take the 11+ test for Slough Grammar School, you will need to complete a Slough Grammar School 11+ registration form (obtainable from the school and school website [www.sloughgrammar.berks.sch.uk](http://www.sloughgrammar.berks.sch.uk)) and return it by **1st October 2010**.
- You will receive your 11+ results mid December. You will need to complete a CAF form to be considered for a place at Slough Grammar which can either be obtained from your primary school or you can get it from your Local Authority's Education Department. For instance, if you live in Slough, contact Slough Borough Council. If you live in Hounslow, contact The London Borough of Hounslow.
- You must make sure that you include Slough Grammar School in your list of schools on your CAF form, whether or not you live in Slough. You must then return your CAF form to your Local Authority by its published deadline date. If Slough Grammar School is not on the CAF form your child will not be allocated a place at the school.
- Following the test you will be informed in mid December 2010 of your child's test result. If he/she has reached the pass mark (usually 111), he/she may be therefore **eligible** for a place at Slough Grammar School. This is not an actual offer of a place as places can only officially be offered by Local Authorities on or after 1st March 2011. There is no guarantee of a place as places will be allocated according to children's test scores and there may be more children passing the test than there are places available.
- All firm offers of places at schools will be made by your Local Authority in March 2011. A letter of confirmation of the offer of a place at Slough Grammar School will be sent to you immediately after this date provided that your child has passed the test, that there is a place available, and that you have listed Slough Grammar School on your Common Application Form.
- If you are eligible for a place at Slough Grammar School (i.e. your child has passed the test) but the school is oversubscribed, your child will be placed on a waiting list for the school. For further clarification refer to SGS Admissions Policy 2011-2012.
